## Winter TERM 2011

Happy New Year! We start term 2 with a fantastic new curriculum for all classes and a very exciting time for all!!

The Lower Primary have some wonderful Dressing Up days organised for this term, some interesting Scene Starters, a new play each week to perform and my favourite Dance Drama "The Astronauts". Upper Primary students will perform a very impressive Verbal Dynamic work for you at parents day called "The Supermarket" along with dressing up days, script work, and a different creative drama each week – many of which will be written by the students themselves as they improvise the piece! We introduce to the Youth Theatre Programme new scripts to perform, some wonderful speech work, important character development exercises as well as some very entertaining "Movie Trailers" - A selection from all of the above will be shown at Parents Day Presentations. Please check the days and times for your child's showcase at the end of term overleaf.

Wow! A busy and very exciting term for all ☺

## ADULT CLASSES

### ADULT CLASSES

I have run two very successful courses for Adults during the last year. I am planning to run another course this term and so if you are interested in joining The Adult programme please contact me for more information. The class will be taught by Judy Adams (Principal) who was trained at RADA and has over 30 years acting experience. I would like to encourage parents to attend and so I am inviting you to bring a friend free of charge on your first lesson. The course has been designed for adults and although we will be working on confidence and life skills, as we do with your children, the benefits for mature students are immense. Please contact me to register your interest as soon as possible on 020 8331 0707 or Email me at [selondon@helenogrady.co.uk](mailto:selondon@helenogrady.co.uk)

### Kindy Drama

Pre-school classes (ages 3 – 5 years) resume at Waterways and Discovery Children's Centre Thamesmead for two 5 week terms. Please contact Judy for more information on
